MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

May 10, 2005

CHILD DEATH

On April 26, 2005, the Children's Services Inspector General (CSIG) completed its investigation into the death of D.S., a child under the supervision of the Department of Children and Family Services (DCFS). The CSIG found several factors related to the quality of DCFS supervision and recommends several areas in which DCFS can improve its operations.

I, THEREFORE, MOVE, that the Board of Supervisors direct the Department of Children and Family Services to report back in 15 days with a corrective action plan based on the CSIG's recommendations; and to provide a progress report 60 days thereafter on the implementation of the corrective action plan.
